Influenza, Coughs and Colds  
Relieved by Ironized Paw-Paw

TAKEN ACCORDING TO DIRECTIONS AFTER YOU ARE ON THE ROAD TO RECOVERY WILL RESTORE YOUR

Strength, Vim and Appetite

After your physician has pronounced you out of danger, you need a tonic to build you up. You can do no better than go to the nearest up-to-date drug store and obtain a bottle of Nux-Iron Paw-Paw compound—take it strictly according to directions—one tablespoonful 3 or 4 times a day. You will quickly find that the wine basis and ingredients in this remedy will materially aid you in restoring you to your former activity and health. This compound contains no alcohol or whiskey except the ordinary strength of the port wine used in its manufacture.

All we ask is, take it according to directions. If you are rundown, nervous, debilitated or constipated, you will find quick relief and ultimate recovery of health.

In your anxiety to get better quickly, don't overdo it, as many sufferers do, and take larger doses of this standard remedy. It will not act any faster, and you will not receive the same benefits from its use you otherwise would.

Your druggist probably keeps it, but if he doesn't, it is sold in Winnsboro by John H. McMaster & Company.

**WARNING** Ironized Paw-Paw has the formula on every bottle. If taken according to directions, and not as a beverage, will be found superior to any tonic, having a quarter of a century's unqualified indorsement from people all over the world. Interstate Drug Company, Inc., New York.—Advertisement.
